Chance to find work

TRANSFORMING a Generation (TAG) is to launch a new programme in Middlesbrough from February 21.

The six-month programme aims to help young people aged 18-24 who are not in education training or employment (NEETS) secure a Level 2 Health and Fitness Instructor qualification, enjoy a four-month paid work placement and build a career in the health and fitness industry.

■ For more information, contact the TAG team on 0203 327 1300.
